**Notes:** Several different organizing groups have held marathons in and around San Francisco. In addition, the courses used for these marathons have undergone a number of changes and relocations. West End Management took over the reigns of San Francisco's largest marathon in 2003. In 2009 Committed 2 Community came on board as the event's non-profit partner- and today the event is known as **The San Francisco Marathon™**. \* = All-time race records
